PENTECOST SUNDAY

9 JUNE 2019 - YEAR C VOL 1 - PAGE 294

Weekly Bulletin

Pentecost originated as a final celebration of the ingathering of the grain harvest, which had begun at Passover. Later Judaism transformed it into a feast of salvation history celebrating the giving of the Law at Sinai and the establishment of Israel as God's people.

All these associations were carried over into the Christian feast that marked the conclusion of the great fifty days. The grain harvest and the Law are replaced by the gift of the Spirit, and the constitution of the old Israel is replaced by the constitution of the new. The feast of the Law becomes the feast of the Spirit.

Today we feel the wind beneath our wings
Today the hidden fountain flows and plays
Today the church draws breath at last and sings
As every flame becomes a Tongue of praise.
This is the feast of fire, air, and water
Poured out and breathed and kindled into earth.
The earth herself awakens to her maker
And is translated out of death to birth.
The right words come today in their right order
And every word spells freedom and release
Today the gospel crosses every border
All tongues are loosened by the Prince of Peace
Today the lost are found in His translation.
Whose mother-tongue is Love, in every nation. (Malcom Guite)

Next weekend we will be welcoming a representative of the **Volunteer Mission Movement International** which is an international development and volunteering organisation that has placed thousands of volunteers on overseas development projects in the past 50 years, which has led to astonishing results for communities and for the volunteers themselves. It is also a lay led initiative.

Volunteers of all ages to step into communities and get stuck into projects of real value to local people forging effective partnerships with strong and well-established organisations. They also provide project planning support to NGOs in development countries, helping them increase their operational capacity and become even better at what they do.

They currently help to deliver Sustainable Development Goals in Africa and Asia in partnership with grassroots partners helping them meet the needs and priorities identified by local people. Projects tend to cover education and health care to community development initiatives delivered in partnerships with civic, community and church organisations. VMM are a faith-based group that maintains an all-inclusive organisation and which welcomes volunteers from all backgrounds, regardless of religion, gender, sexual orientation, ethnicity or politics.

In addition to giving further information about this organisation our visitor will invite us to give some financial support and we will hold a retiring collection. Please consider responding to this appeal as generously as you can.

I caught this morning's minion, king-
dom of daylight's dauphin, dapple-dawn-drawn Falcon, in his riding
Of the rolling level underneath him steady air, and striding
High there, how he rung upon the rein of a wimpling wing
In his ecstasy! then off, off forth on swing,
As a skate's heel sweeps smooth on a bow-bend: the hurl and gliding
Rebuffed the big wind. My heart in hiding
Stirred for a bird, – the achieve of, the mastery of the thing!
